

## **Dr. Beth Baughman DuPree, MD, FACS, ABOIM - Professional Bios**

### **Full Professional Bio**

Dr. Beth Baughman DuPree is a board-certified general surgeon and integrative and holistic medicine physician with over three decades of leadership in breast cancer care. A surgical oncologist and founder of Redeemer Health's breast surgery program she continues to practice part-time while expanding her work at the forefront of healthcare transformation.

Today, Dr. DuPree is a highly sought-after keynote and inspirational speaker known for her rare ability to bridge rigorous medical science with whole-person healing. Her message challenges conventional healthcare to evolve beyond disease treatment toward resilience, restoration, and true healing of body, mind, and spirit.

Dr. DuPree received her medical degree from Hahnemann University in Philadelphia and completed her general surgery residency at Albert Einstein Medical Center. She holds undergraduate degrees in behavioral neuroscience and the history and philosophy of science from the University of Pittsburgh and has served as an adjunct assistant professor of surgery at the University of Pennsylvania, training breast surgical oncology fellows.

Committed to advancing emerging frontiers in medicine, she holds certificates in Psychedelic-Assisted Therapies and Research from the California Institute of Integral Studies, MAPS, and the Synthesis Institute in Amsterdam. She now serves as medical advisor to innovative healthcare technology companies including Innerstill Health, Gateway Sciences, and Relief Sciences. They are committed to bringing transformative bioelectric technologies, plant medicines, non-narcotic pain solutions into mainstream care.

Dr. DuPree is the author of ***The Healing Consciousness: A Doctor's Journey to Healing*** and ***Shifting Gears: Living Life with Intention***, and the founder of the Healing Consciousness Foundation which provides integrative and wellness technologies for breast cancer survivors.

She and her husband, Joe, have been married for thirty-eight years and are proud parents of their two adult sons, Tom and Dean who are now husbands and parents themselves.

### **Short Speaker Intro**
